Adelaide  
5000

*A dynamic, not-for profit organisation providing services and programs that meet the changing social, emotional and practical needs of the Jewish Community in South Australia*

## SUNDAY WALKIE TALKIES

Our walking group has about a dozen regulars and a few occasional participants with an average of 10 people each week. We meet at 8-30 am Sunday mornings and walk and talk for about an hour then, with good planning, finish our walk near a coffee shop so that we can continue talking.

Our meeting place varies each week with the most common being at the North gate of the Botanic Gardens but our walks have ranged over many of Adelaide's most beautiful paths.

We have walked around the Botanic Gardens many times, along the length of the Linear Park along the Torrens River from the sea to the hills ( in stages of course), around the Waite Arboretum and gardens, around the parklands adjacent to the city, through the streets of North, East, South and West Adelaide and along Brownhill Creek and in Waterfall Gully. We even made an expedition to the St Kilda Mangrove boardwalk.

## **Come and Join Us!**

We welcome anyone who would like to join us for a pleasant brisk walk in great company.

Contact may be made to the office and Lynette Ninio will have your name added to our email list.
