

# Yizkor Memorial Book

There are stars up above, so far away we only see their light  
long, long after the star itself is gone.  
And so it is with people that we loved--  
their memories keep shining ever brightly thought their time with us is done.  
--Hannah Szenes

This year, Beit Shalom will be publishing a Yizkor memorial booklet to honour our loved ones as part of the Yom Kippur Yizkor service. This booklet brings additional beauty and meaning to an important part of our holiest day. Those on the memorial board will automatically be remembered in the book and at the service.

We welcome your contributions to this booklet. If you choose to remember loved ones with 1/4 page or larger, you are invited to (electronically) submit a photo to include. Also please do send along readings, songs, or other reminders of this person's part in your life for larger listings. May the memories of those we have loved and lost be a blessing and a source of comfort for us.
